

The Urban Collective Project The Talk of the Town

www.urbancollectiveproject.org

“It was a real pleasure mixing London Urban Collective’s ATL album and I’d be delighted to produce an Urban Collective album when it starts over here”

Karl Heilbron, engineer and producer, Jay-Z, Rihanna, Tupac Shakur, Ciara

“I’m very excited about the prospect of an Atlanta Urban Collective and I think the project will translate very well to young people all over the States”

Dee Dee Murray, General Manager Purple Ribbon Entertainment

“An excellent project – can’t wait to get involved when it kicks off in the USA”

Tim Love Lee, Founder Tummy Touch Records

“London Urban Collective’s Inferno is a spectacular piece of work, a great achievement and wholly deserving of its award”

Geoff Harkness, curator Chicago International Hip Hop Film Festival

“There needs to be more projects like Urban Collective – it’s so amazing to see the energy, drive and commitment in everyone”

Shola Ama, Brit and MOBO Award winner

“One of the best youth projects I’ve seen. The Urban Collective are alive with enthusiasm and drive”

Haydn Bendall, producer Kate Bush, Roger Waters, Sir Paul McCartney

“I’ve never seen a project like it and meeting the Collective was inspiring for me. I look forward to working with them on my live tour later in the year”

DJ Krust, Full Cycle, Roni Size, Reprazent

The Urban Collective Project The Talk of the Town

“Urban Collective is a toolkit for the real music industry”

Jonny Itch Fox, The King Blues

“Thanks for inviting me to mentor the London Urban Collective. More projects like this need to exist to give marginalized youth the opportunity to shine and develop”

Skinnyman, British rapper, Mud Family

“London Urban Collective is a major step up for an artist. It gave me the confidence and skills to know how to operate professionally. One minute I was on the project in London, the next in Atlanta writing for Malachi of The Dungeon Family”

Lykez, London Urban Collective

“The British Urban Collective has given me something to aim for and now I really do know what industry I want to work in.”

Jack, Glasgow Urban Collective

“I’ve learned things about the music industry that I wasn’t even close to knowing previously. You’ve given us a gift that keeps on giving”

Daniom, Manchester Urban Collective
